

Supplemental Notice Regarding the Farag v. Kiip, Inc. Settlement

What is this Supplemental Notice about?

At a recent hearing in this case, the Court presiding over the Settlement issued an Order that made several minor changes to the implementation of the Parties' Class Settlement. All Parties appearing at the Final Approval hearing agreed to the changes, and this Notice is being posted on the settlement website so that you are aware of how the changes may affect you.

Was the Settlement Approved?

Yes. The Court held a Final Approval hearing on October 18, 2019 to consider whether to approve the Settlement. Following the hearing, the Court granted approval to the Settlement, and a copy of the Final Approval Order and Judgment is available on the settlement website at kiipsettlement.com/Home/Documents.

Did the Court make any changes in its Final Approval Order?

Yes. The Court approved a few minor changes, which are listed below:

- If you receive a check from the Settlement, **you must cash or deposit your check within 90 days** of when it is issued. After 90 days, the checks will become void and any monies remaining in the Settlement Fund will be distributed to a charitable organization approved by the Court.
- Class counsel reduced their fee request to 33% of the Settlement Fund, meaning that more money from the Settlement Fund will be made available to be distributed to the Settlement Class members who submitted valid and compensable claims.
- The Court permitted one of the potential Settlement class members to submit a Claim after the claims deadline.
